Red Cross In Effort To End Fund Campaign

Red Cross volunteer workers are exerting every effort to complete their quota of the 1948 fund goal in the commerce and industry division. To date \$3,806.91, or 59 percent of the quota has been received, it is reported.

In industrial plants where there has been no solicitation, it is suggested that employees send contributions to Red Cross headquarters, 1345 El Prado, or call Torrance 1524.

Daring Hold-up Of Shoe Store Nets Thugs \$442

Two well-mannered bandits who closed the door behind them wiping away their fingerprints with a handkerchief as they did so, left employees and customers of Karl's Shoe Store, 1281 Sartori avenue standing in the middle of the store shortly after closing time last Saturday night minus \$442.90 in cash and checks, according to a report of the Torrance Police Department.

The pair is reported to have gained entrance to the store a few moments after it had closed under the ruse of buying a pair of shoes. One of the bandits, standing behind a counter and hidden from street view, is said to have drawn a .45 automatic and exclaimed, to Manager Edwin Buckspan, of 6160 Will Rogers street, Los Angeles, "This is a stick-up. Give me all the dough you've got... all of it. No silver. Just the bills and checks."

The other bandit is reported to have sauntered toward the rear of the store and brandishing a .32 automatic robbed a clerk, Manny Smolen, 1403 Canfield avenue, Los Angeles, and two customers, Mr. and Mrs. Marshall South, 22230 Meyler st., of \$10.
